Vacancy

The Chair for Information Systems and Supply Chain Management is looking for student assistants especially as support for the **“Enterprise Architecture Management”** lecture for **5 hours per week** as of **April/May 2019**.

Moreover, the activities include the preparation of presentations, organizational and substantive participation in national and international research and practice projects, literature research as well as general work to support the chair. Furthermore, it is possible to write your Master thesis on one of our research topics.

Requirements:

- Bachelor degree in information systems, business economics, economics, or similar;
- (very) good degree in the “Enterprise Architecture Management” lecture
- (very) good achievements in study;
- Interest in the research topics of the chair;
- Organizational skills, motivation, flexibility and team spirit;
- Very good understanding of English (additional languages are an advantage);
- Strong orthographic and computer skills (MS Office; graphics editors, HTML, etc. are welcomed)

If you are interested, send your motivation letter with the usual documents (tabular CV, certificates, etc.) preferably by e-mail **until February 10, 2019** to:

*Ms. Sandra Lechtenberg (sandra.lechtenberg@wi.uni-muenster.de)
Department of Information Systems, Leonardo-Campus 3, 48149 Münster*

Applications from women are strongly encouraged. Women with the same suitability to the team, competence and professional performance are favored. People with disabilities and equal qualifications are preferably employed.
