## Vacancy

The Chair for Information Systems and Supply Chain Management is looking for student assistants especially for support with **programming tasks for 5 hours per week** as of **October 2018**.

The activities include the preparation of presentations, organizational and substantive participation in national and international research and practice projects, literature research as well as general work to support the chair. Furthermore, it is possible to write your Bachelor/Master thesis on one of our research topics.

### Requirements:

- Student in information systems, business economics, economics, computer science or similar
- (very) good achievements in study
- Programming knowledge (e.g. Java, PHP, Python, R)
- Interest in the research topics of the chair
- Organizational skills, motivation, flexibility and team spirit
- Very good understanding of English (additional languages are an advantage)
- Strong orthographic skill and knowledge in MS-Office

If you are interested, send your motivation letter with the usual documents (tabular CV, certificates, etc.) preferably by e-mail **until February 10, 2019** to:

*Ms. Sandra Lechtenberg (sandra.lechtenberg@wi.uni-muenster.de)  
Department for Information Systems, Leonardo-Campus 3, 48149 Münster*

Applications from women are strongly encouraged. Women with the same suitability to the team, competence and professional performance are favored. People with disabilities and equal qualifications are preferably employed.
